

# ROTARY PHONE TEMPLATE

I hope you enjoy this free Crayons and Melodies craft template! Feel free to make as many copies as you need for your kids. All I ask is that you do not redistribute or resell these pages as your own. :) Also, if you feel inclined, tag me or send a pic of you and your kids' version of this craft! It brings me so much joy to see these out there in the world!

Thanks for visiting and happy crafting!
